WRIT IN QUO WARRANTO

To the served respondent

The Demandant (Petitioner) has averred as further detailed herein that you have been involved in "disqualifying activities" in rebellion to the oath of office and the Constitution of the United States as set forth in Section 3 of the 14th amendment and in aid and comfort supported rebellion to Article II Section I Clause I as in support of effort of Donald John Trump to thwart the 2020 Presidential election results by in minimum participating in or leading legal efforts in presenting a fraudulently drafted and frivolous Amicus Brief attempting to influence and convince a US Court of law as evidenced by the court docket and document itself, and by voting without any legal basis to launch an "impeachment inquiry" without any basis in law or relevant fact the intent of which is to obfuscate and interfere with the operation and function of the executive branch in minimum. These activities are averred herein by publicly available video testimony and averments through the links herein as stored on YouTube and other publicly available sources all in evidence these define disqualifying activities with respect to Section 3 of the 14th amendment. As such failure to answer the averments herein will find cause an Order in Quo Warranto issue pursuant Section 3 of the 14th amendment of the Constitution of the United States , requiring that you vacate the office in the United States government that you hold.

As the writ is based on public alleged facts any person may submit under oath supplemental information as a direct witness but no rebuttal or expert witnesses are relevant or allowed.

1 Also note that a Petition in Quo Warranto is not a lawsuit. There is no
2 response as to dismiss for failure to state a claim or in demurrer but only an
3 answer to dis-spell the averments by satisfactory proof to the Court.
4

5 Contrary to Congressional Member belief of absolute term safety a Federal
6 Judge can order a member out of office under Section 3 of the 14th
7 Amendment who is in rebellion to the Constitution of the United States, who
8 provided aid and comfort to other enemies, and or their oath of office.
9

10 SUMMARY

- 11
12 1. Quo Warranto is best defined at [https://www.constitution.org/1-
13 Activism/writ/quo_warranto.htm](https://www.constitution.org/1-Activism/writ/quo_warranto.htm)
14
- 15 2. "" A writ of *quo warranto* is not a petition, but a notice of demand, issued by
16 a demandant, to a respondent claiming some delegated power, and filed with
17 a court of competent jurisdiction, to hold a hearing within 3 to 20 days,
18 depending on the distance of the respondent to the court, to present proof of
19 his authority to execute his claimed powers. If the court finds the proof
20 insufficient, or if the court fails to hold the hearing, the respondent must
21 cease to exercise the power. If the power is to hold an office, he must vacate
22 the office.
23
- 24 3. The writ is unlike a petition or motion to show cause, because the burden of
25 proof is on the respondent, not on the demandant. ... The right involved is
26 that of the respondent to present his evidence""
27
28

1 4. Thus this complaint in quo warranto is an" order to show cause" based on
2 the public record for why you should not be ordered to vacate office. No
3 money damages or other relief is sought nor appropriate so long as the
4 demandant strictly complies to answer only.
5

6 **STANDARD IN QUO WARRANTO UPON THE OATH OF OFFICE**
7

8 5. The Constitution has a mandatory code of conduct. It is the Preamble. For
9 ordinary citizens it is only a guide how to behave, but for anyone who takes
10 an oath office to bear "true faith and allegiance" to same, being the
11 Constitution, it is a mandatory code of conduct, the failure of which to
12 adhere to is an automatic "disqualifying activity". This oath and the
13 Preamble legally means one cannot lie in their official capacity or to the
14 American people. It is an ugly reality not often enforced and only largely
15 enforceable by Writ of Quo Warranto.
16

17 6. The Preamble is regularly taught dissected in the law as
18

19 7. The Preamble of the U.S. Constitution lists six goals and purposes of the U.S.
20 government.
21

22 8. 1. The first goal listed in the Preamble is "form a more perfect union."
23 This means that the purpose of the U.S. Constitution was to create an even
24 better government than the one that was in place during the writing of the
25 document (the Articles of Confederation).
26

27 9. 2. The next goal listed in the Preamble is that the government will
28 "establish justice". This means that the government places the law higher

1 than any individual, including government officials. “Establish justice” also
2 means that all people will be treated fairly and equally under the law.
3

4 10. 3. The third goal listed in the Preamble is “insure domestic tranquility”.
5 This goal means that the government will protect citizens from conflict in
6 the country and make sure that states do not go to war with each other.
7

8 11. 4. The fourth goal listed in the Preamble is “provide for the common
9 defence”. This means that government will provide one central defense
10 against any attacks from outside countries or groups.
11

12 12. 5. The next goal is “promote the general welfare”. This means that
13 government is focused on the public interest and that every state and
14 individual can benefit from what the government can provide. This goal
15 relates to other goals listed in the Preamble. Establishing justice, insuring
16 domestic tranquility, and providing for the common defense are all things
17 that benefit the common good.
18

19 13. 6. The sixth and final goal is “secure the blessings of liberty for ourselves
20 and our posterity”. This means that by having a government focused on the
21 common good, current and future generations will have a government that
22 protects liberty and freedom. (this is the duty to support allies worldwide)
23

24 14. To accomplish this above means government officials do not bring
25 religion into their government roles and are prohibited from lying by the
26 oath one freely takes.
27
28

1 15.To take the Oath of office means you park religion at the door, and do not
2 bring it into performance of duties in "true faith and allegiance" to the
3 Constitution which is defacto the US Government. Of course no Republican
4 does that and indeed the opposite in the analysis and First amendment
5 separation of church (RELIGION) and state.
6

7 16. See [https://constitution.congress.gov/browse/essay/pre-](https://constitution.congress.gov/browse/essay/pre-1/ALDE_00001231/#ALDF_00014443)
8 [1/ALDE_00001231/#ALDF_00014443](https://constitution.congress.gov/browse/essay/pre-1/ALDE_00001231/#ALDF_00014443). "" As such, while the Preamble
9 does not have any specific legal status, Justice Story's observation that the
10 true office of the Preamble is to expound the nature, and extent, and
11 application of the powers actually conferred by the Constitution appears to
12 capture its import"". This means in translation members of the government
13 who take an oath in " full faith and allegiance " thus covers behavior in
14 mandate of all of the Constitution including the Preamble with the force of
15 law by way of the oath upon them.
16

17 17. Needless to say everything is upside-down against the Constitution on the
18 Republican front.
19

20 **LEGAL BACKGROUND OF QUO WARRANTO JURISDICTION**

SUMMARY OF FACTS

20. The rebellion against the Constitution of the United States and United States Government identified and as commonly known launched and called an "insurrection" on January 6, 2021, has remained active and strengthens within Congress itself. The behaviors as violations of duty and oath of office are disqualifying activity. Quo Warranto to Judicially remove the insurrectionists who are inside the government is the method by which Section 3 of the 14th amendment is self executing and enforced, when moved to do so. It is in essence an "Order to Show Cause" as to "disqualifying activities" in rebellion to the Constitution a erred by a demandant (the petitioner) which if unable to answer demands the respondent vacate the office.

21. The US Government has at its core a Protectorate document in the US Constitution which those in government are commanded to behave under "in true faith and allegiance" thereto in whole and thus that means conform conduct to under the Preamble at all times or be ejected from government in accord Section 3 of the 14th amendment through the violation of the oath of office. A very good history of how America has reached the "crossroads" it is at is a WETA PBS News hour documentary with Judy Woodruff available on YouTube¹

4 22. Speaker James Michael Johnson (Mike Johnson) is both an insurrectionist
5 and giving aid and comfort to Russia and Trump when he authored and
6 got 125 Republican members of the House of Representatives to sign onto
7 and then filed an amicus brief in a Texas insurrection case under the
8 "Independent Legislature Theory" seeking to invalidate certified ballot
9 results by and through the Texas Attorney General, of other states which
10 could not have been farther from the business of Texas and Congress
11 seeking to thwart the Electoral Count Act of 1887 and at its core Article II
12 Section I Clause III and its successor the Twelfth Amendment which failed
13 before the US Supreme Court. The brief is at [https://gov-

7 Christian National, and its racist rise which coincides with Mr Trump
8 at <https://www.youtube.com/watch?v=ymyAXjc1je4>

9 .
10 24. This amicus brief was both frivolous and a "disqualifying activity" and as
11 an insurrectionist giving "aid and comfort" supporting Trump. The suit was
12 dismissed for lack of standing for Texas by the US Supreme Court to try to
13 force another state to run and certify its elections as a violation of Article III
14 of the Constitution. To have filed such a brief was a rebellion against the
15 Constitution of the United States as described by Section 3 of the 14th
16 amendment. The rebellion would be to Article II Section I Clause I and the
17 XXII Amendment in general. This by the Constitution automatically
18 bars and removes from office Johnson and the 125 members who signed the
19 brief. See https://en.wikipedia.org/wiki/Texas_v._Pennsylvania

20
21 25. This is the definition of rebellion against the Constitution of the United
22 States.

23
24 26. There exists a belief in the Republican party that if they just all vote for it, it
25 is not a violation of their oath of office or unlawful or unconstitutional and
26 in rebellion to the Constitution of the United States. They are sorely
27 wrong. On December 13, 2023 the entire Republican caucus voted to
28 open an impeachment inquiry into President Biden they could not find any

1 evidence of "High Crimes and Misdemeanors" to actually investigate and
2 postulate as potential impeachment charges against President Biden.
3

4 27. In civil terms that would be an "abuse of process" It is thoroughly
5 documented in the media and found immortalized as a testimonial collection
6 on YouTube by publishers like MSNBC and, CNN, Meidas Touch,
7 TYT, and other often attorney led or interviewed sources like Marc Elias,
8 Micheal Steele, Glen Kirschner and others.. This impeachment inquiry vote
9 is designed to obstruct the government operations of the Executive branch,
10 aka the Whitehouse. While at the same time when the Whitehouse sends a
11 bill to be voted on Speaker Johnson refuses to do his job and bring it to the
12 floor for a vote, in fear it may well pass.
13

14 28. Rumored on multiple Congressional sources to be at the command of Trump,
15 in the criminal world this filing a false police report and in the civil world it
16 is abuse of process and / or malicious prosecution. In this case it is a species
17 of "election interference" in an attempt to cast lies and dispersion upon
18 President Biden to influence voters to think Trump and Biden are equally
19 corrupt. To use the impeachment process with no potential charge to be
20 impeached for is a rebellion of both the oath of office of "true faith" and
21 Article II Section IV. After investigation prior there is no evidence, and no
22 crime suspected which qualifies to Article II Section IV. Here when
23 questioned by the media on MSNBC a Republican member began deflecting
24 and was outright accused of lying in the
25 interview. See <https://www.youtube.com/watch?v=JVHUCW-YzkU> and
26 Rep Jasmine Crockett describe how the Republicans just don't care (because
27 nothing but this court can touch or stop them
28 normally). <https://www.youtube.com/watch?v=R795itZH034> and Attorney

1 Leeja Miller on the Republicans and supporting book removal and banning
2 and burning which is a violation of the First

3 Amendment. See <https://www.youtube.com/watch?v=ymKFI7rJY48>
4

5 29. This Congress is the best example of why no legislator of Congress, as well
6 as the two offices of the executive branch should be allowed held unless they
7 have a Law Degree AND license to practice law. The acts of the
8 Republicans resemble pro per craziness not knowing anything about laws of
9 the land the limits of the office they hold, or how to read them. Senator
10 Tuberville and Representatives Greene, Boebert who barely has GED and
11 Kevin Mccarthy who while having received high education degrees still and
12 yet at an intellectual and actual core was of the thought level of a firefighter
13 which he worked as prior to Congress. At the very least a US Military
14 person who is within 2 years of completion of same.

15
16 30. But the thing is the Constitution and the Oath of office United States
17 government persons must take actually "prohibits" authoritarianism and
18 religious zealotry in one's duty in office in its structure and as set out in
19 the Preamble, and First Amendment and thus to work towards it by members
20 of the Government or through private organizations is a violation of the
21 laws of the United States and a rebellion against the Constitution of the
22 United States. It is thus "disqualifying activities" as well as a violation of 18
23 USC 2381 to 18 USC 2385 especially also. On the "Weekend show

26 joins Anthony Davis to discuss America sleepwalking into authoritarianism,
27 as Trump confirms his desire to be a dictator if he wins the presidency
28

1 31.The caption names Tuberville, Johnson, Greene and Jordan and then the
2 entire Republican Congress as "Does" based upon their signing onto an
3 insurrectionist amicus brief and impeachment inquiry vote without any proof
4 of any high crime or misdemeanor having been committed by President
5 Biden and to which the opposite is true that everything discovered thus far
6 points to exoneration and thus the opposite, and to discover other
7 disqualifying activities to office.
8

9 32.As previously stated, much of the problem has to do with legal ignorance not
10 having legal educations and licenses to practice law, but the other serious
11 problem is known as a mental illness called "God Delusion"
12 syndrome. After all speaker Johnson has claimed God is talking to him and
13 he thinks he is Moses. Johnson cannot seem to separate the theological
14 world from the realty of government, law, and politics.. Trump supporters
15 are generally classified as "God Delusional" White Christian
16 Nationalists. See eg <https://www.youtube.com/watch?v=xCTHkJ3yvyk> and
17 Yuval Noah Harari on GOP losses, conspiracies, AI, religion & history:

19 Ari Melber at <https://www.youtube.com/watch?v=nlni04mpDdg>. Here
20 Attorney Leeja Miller does a thorough history of and analysis documentary

1 33. The desire to change the American alleged democratic Republic is a flirt
2 with disaster as Sapiens shows. See also
3 especially . <https://www.youtube.com/watch?v=Sgn6ml1OeCk> and here is
4 why nonsense voter fraud claims persist. See
5 <https://www.youtube.com/watch?v=wGHt5Nm2WDQ> and this why the
6 issue persists

7
8 34. Here Attorney Miller describes how the filibuster became and is an I just
9 tool for racists which as an injustice is thwarting the Preamble which also a
10 "disqualifying activity" though not applicable to this petition but for
11 Senators as DOES to be named
12 later. See <https://www.youtube.com/watch?v=tKUFPGX6ZOU> and links it
13 to the 2024 general election which is referendum on race and uses the
14 history of Critical Race Theory as a tinderbox issues at the root of the 2021
15 Capitol riot and today's largely all Caucasian Republican party trying to
16 maintain a racist society that further illustrates how the Preamble never
17 before seriously considered of legal value actually dies high legal value to
18 persons in government who swear the oath to "bear full faith and
19 allegiance" to the Constitution means the entire Constitution. Thus violates
20 of the the Preamble are all "disqualifying activities" to remove racists,
21 fascists and insurrectionists who rebel in any way against the Constitution of
22 the United States. She outlines Gov RonDeSantis as a main transgressor
23 who cannot every take the Oath of office if the President as a
24 racist. See https://www.youtube.com/watch?v=5-h_abtzwCw

25
26 35. Here in a documentary video Attorney Leeja Miller describes how the
27 Trump EPA was crippled regarding at least one area of jurisdiction. The
28 EPA is part of the "deep state" Trump and the Heritage Foundation through

1 its Project 2025 plan seeks to destroy. See
2 minimally <https://www.youtube.com/watch?v=HuOgNJbQ5LY&t=418s> The
3 Heritage Foundation in its Project 2025 plan which is a cleverly disguised
4 rebellion of US Laws and because of the Citizens United case, Project 2025
5 is actually a violation of 18 USC 2381 to 2385. In this manifesto of Project
6 2025 the under tow of resistance to US Laws are "disqualifying
7 activities". The 2025 Mandate for Leadership is a seditious plan available
8 on their <https://project2025.org> website and a copy is 7 MB pdf and hosted
9 locally at

10 [https://gov-](https://gov-shout.com/sites/default/files/2025_MandateForLeadership_FULL.pdf)
11 [shout.com/sites/default/files/2025_MandateForLeadership_FULL.pdf](https://gov-shout.com/sites/default/files/2025_MandateForLeadership_FULL.pdf)
12

13 36. Attorney Leeja Miller documents how Citizens United and the Heritage
14 Foundation disguises "disqualifying activities".

15 See https://www.youtube.com/watch?v=qgat9qUa_s8&t=225s and here is
16 the mini documentary on Project 2025 itself the support of which is a
17 "disqualifying activity" under Section 3 of the 14th amendment as a both a
18 rebellion to the limits of Article II and to give aid and comfort to Trump who
19 is an adjudged insurrectionist attempting to retake the Whitehouse. See the
20 entire video of Attorney Leeja Miller
21 at <https://www.youtube.com/watch?v=9k3UvaC5m7o> and [https://www.yout](https://www.youtube.com/watch?v=tty4itwQcU)
22 [ube.com/watch?v=tty4itwQcU](https://www.youtube.com/watch?v=tty4itwQcU) because now the Heritage Foundation has
23 become a right wing private insurrection organization. When "policy"
24 destroys existing law that is a "disqualifying activity" by any who press it
25 forward.

26
27 37. In summary there is a reason the First Amendment actually at the very first
28 sentence commands a separation of church and state because directives of

1 various religions as interpreted have no place in a government based on a
2 Republic by Democracy, exactly for what Republicans are pushing as laws
3 upon the person based on a misplaced faith of their Christian values
4 today. (again see) <https://www.youtube.com/watch?v=c5camqkr6-8> The
5 Christian zealots cannot live and let be, they must meddle to force religion
6 on the country to those not interested. They are trying now to create the
7 meddlesome laws to make religion part of government nationwide. Here
8 again is an unlikely source scientifically explaining the defects of religious
9 thought and teachings by Neil Degrasse Tyson.

10 <https://www.youtube.com/watch?v=ANZTjzcaoVc>

11
12 38.If all one can bring to Congress is obstruction and blackmail of government
13 and government function myrieted in Religion and beliefs associated
14 thereto, that alone is disqualifying activity and they should be removed from
15 office and be again barred or immediately resign.

16
17 39.Again, a writ of *quo warranto* is not a petition, but a notice of demand,
18 issued by a demandant, to a respondent claiming some delegated power, and
19 filed with a court of competent jurisdiction, to hold a hearing within 3 to 20
20 days, depending on the distance of the respondent to the court, to present
21 proof of his authority to execute or continue to execute his claimed powers.
22 If the court finds the proof insufficient, or if the court fails to hold the
23 hearing, the respondent must cease to exercise the power. If the power is to
24 hold an office, he must vacate the office. See [https://www.constitution.org/1-
25 Activism/writ/quo_warranto.htm](https://www.constitution.org/1-Activism/writ/quo_warranto.htm)

26
27 40.If Section 3 of the 14th amendment identifies the activity as a rebellion
28 against the Constitution of the United States, as is here the respondent must

1 vacate the office and the court enter an order barring that person from
2 holding office again.

3
4 41. By the very terms of Section 3 of the 14th amendment, in this case there is
5 no appellate ladder but to Congress itself by the final sentence of Section 3
6 unless the facts do not fit the averred violation of the Article and Section of
7 the Constitution named.

8
9 42. The writ is unlike a petition or motion to show cause, because the burden of
10 proof is on the respondent, not on the demandant, it is more like an "order to
11 show cause."

12
13 43. The Constitution itself is constructed to not tolerate these Religious zealot
14 attacks from inside and citizens do not have the right to vote them into office
15 where they immediately and persistently violate their duties and oath. They
16 are to be Judicially ejected.

17
18 44. Trump has been caustic and devisive even before being elected without
19 respect for law and others. Here is a 2020 Documentary "You've been
20 Trumped too". at <https://www.youtube.com/watch?v=k9RweR9EUSg>
21 showing how the country was blinded with lies but those in the know were
22 not. Here and those who follow him are not Constitutionally patriotic
23 Americans from the Preamble alone.

24
25 **THE RESPONDENT PARTIES**
26 **OVERVIEW OF DISQUALIFYING ACTIVITIES OF THE FOUR**
27 **NAMED ABOVE**

1 **MIKE JOHNSON (JAMES MICHEAL JOHNSON)**

2 45. Mike Johnson is not only "God Delusional", it is worse that secretly he
3 wants to destroy the government and Constitution himself. He is an enemy
4 plant. Frank Schaeffer a 71 year old ex evangelical knows who raised and
5 indoctrinated Mike Johnson who is spearheading violating the First
6 Amendment and covertly seeks to turn America into an Authoritarian
7 Theocracy worse than anything anyone can imagine. Mike Johnson has a
8 pedigree with is anti-Constitutional as shown on his wiki page and below

12 <https://www.youtube.com/watch?v=JZ9wp5PyD2Y> Dara Starr Tucker an
13 Oral Robert's University African-American alumni interviewed Frank
14 Schaeffer, who grew up in a hugely influential conservative Christian family
15 that the New York Times once referred to as "Evangelical Royalty." Frank
16 left the church in "disgust" after witnessing "unchristlike behavior" on a
17 leadership level across the nation. He wrote a memoir, Crazy for God, about
18 this shift in the evangelical movement. He and Dara discuss how the
19 religious right went so badly off the rails, and took the Republican Party
20 with it.

21
22 47. The YouTube channel is called "Burn the Boats" and is hosted and posted by
23 a former military Air Crew Yale Law School alumni person. On December
24 25, 2023 his Christmas post is one that makes poignant how the loudest
25 insurrection voices have never served the country they seek to attack and
26 destroy. The Steve Bannon, Donald Trump's, Josh Hawley's and Ted
27 Cruze's of the world who would not last five minutes in any international, or
28 national conflict. The Christians post makes note that those people have no

1 clue what a patriot really

2 is. See <https://www.youtube.com/watch?v=guhd3tc96jc>

3
4 48. Unbelievably Mike Johnson is an enemy of the United States Constitution.
5 and Frank Schaeffer has first hand testified in the video details as such.

6
7 49. Mike Johnson is mentally compromised by religion. He thinks he is
8 MOSES and GOD speaks to him. After passing the impeachment inquiry,
9 Johnson plans to shut the government down because normally there is no
10 consequences for doing so.

11 See <https://www.youtube.com/watch?v=UCGEUcYL1fQ&t=1800s>

12
13 50. However most relevant he led a rebellion against the Constitution of the
14 United States in giving aid and comfort to Trump to assist in throwing out
15 votes. He did so brazenly in a court document. Making unsubstantiated
16 claims that election law improvements due COVID fraudulently took votes
17 from Trump, when the truth is Trump lost the 2016 election by 3 million
18 votes but was able to steal the electoral college by cheating and
19 manipulating minds with lies using Facebook dark ads. See "Unfair game

22
23 51. When it did not work again in 2020 the extinction hostility and anxiety came
24 out in the form of 60 losing suits and Mike Johnson authored and got 125
25 Republican members of the House of Representatives to sign onto and then
26 filed an amicus brief in a Texas insurrection case under the "Independent
27 Legislature Theory" seeking to invalidate certified ballot results by the
28 Texas Attorney General, of other states which could not have been farther

1 from the business of Texas and Congress seeking to thwart Electoral Count
2 Act of 1887 and at its core Article II Section I Clause III and its successor
3 the Twelfth Amendment which failed before the US Supreme Court. The

7
8 52. Lately Johnson has gone on record as an accessory after the fact to blur the
9 faces of January 6th rioters so the general public will not be able to assist
10 law enforcement apprehend
11 them. See <https://www.youtube.com/watch?v=bCmdN35a9hM>
12 and <https://www.youtube.com/watch?v=N9FhvUBeHoY>

13
14 53. Johnson and most of the Republicans are either too dim witted to understand
15 the Ukraine scenario or are "gaslighting" the country because their aim is to
16 destroy the Western governments and the US Government in
17 particular. See <https://www.youtube.com/watch?v=-0W7ASQkunY&t=810s>.
18 The truth is much of the aid we give Ukraine are weapons we as a nation
19 would have decommissioned or been forced to retire, dismantle, scrap or
20 destroy anyway.

21
22 54. See Adam Kinzinger again describe the amicus brief true story with Micheal

2 Kinzinger will tell you. See Escaping Polygamist Cult - Inside the
3 Dangerous World of the FLDS - YouTube at
4 <https://www.youtube.com/watch?v=T1OkK7P4bng> This frankly is much of
5 what the Republicans party has become - a cult. Another here, and if you

7 more. <https://www.youtube.com/watch?v=aNKWC0NtIsk>. This is what is
8 trying to be forced onto the country from abortion and medical privacy right
9 erosion all the way to as worse as it can get to Biblical stupidity as Neil
10 Degrasse Tyson shows it. That is why religion in government is a
11 disqualifying activity when too zealous. Each time the word "God" is uttered
12 it is some degree of fantasy and frankly. Mental illness unsuited for
13 government service.

14
15 56. Speaker Johnson is praised on Russian National TV In his aid and comfort to

18 Lt General Ben Hodges December 29, 2023 discusses the truth about
19 Ukraine versus Johnson in his public lies or at best dim
20 wits. See <https://www.youtube.com/watch?v=DLYbz6AQXCY> and in
21 greater detail at a December 13 2023 interview at
22 <https://www.youtube.com/watch?v=QYZBcNuChRM> as Johnson in his
23 disqualifying activity is not only an insurrectionist leader and planner for
24 Trump and the Republicans he is a traitor. Another description from former
25 NATO planner Colonel Phillip Ingram of same from December 12, 2023
26 at https://www.youtube.com/watch?v=fEj_oOgPFQ0 that also shows
27 Johnson unknowledgeable dim witted or lying. Aid to Ukraine is not
28 unaccounted for cash but mostly expired weapons we as the United States

1 would be retiring or destroying anyway. Any Military person knows this and
2 Ex Representative Lt Colonel US Air Force Adam Kinzinger even has said
3 so.

5 **JIM JORDAN (JAMES DANIEL JORDAN)**
6

7 57. Jim Jordan was so deeply involved as to the efforts similar to that of Mike
8 Johnson he refused a Congressional subpoena. This court only in a Quo
9 Warranto analysis can address his refusal to bear true faith to the
10 Constitution and Laws of the United States as disqualifying activities to his
11 oath of office. See. https://www.youtube.com/watch?v=a26_bkag-00
12 and <https://www.youtube.com/watch?v=krTOY2TnSy0>. Johnson and Jordan
13 were fully aware of the fake elector scheme, hence the amicus
14 brief. https://www.youtube.com/watch?v=iHAI_vkIryQ Much of Jim
15 Jordan's disqualifying activity is chronicled by Attorney Representative Eric
16 Swalwell in <https://www.youtube.com/watch?v=00AiTC4rjT4>
17

18 **MARJORIE TAYLOR GREENE**
19

20 58. Ms Greene is plain incendiary of low education.
21

22 59. Section 3 of the 14th amendment is self executing and covers the entire
23 Constitution including the commands of the Preamble though generally not
24 considered law. It is an ethics and personal constitutional expectation under
25 the oath of office in addition to the other links below her conduct is
26 seditionist, fascist and racist.
27
28

1 60. A House censure resolution from Rep Becca Balint about 10 minutes long
2 was read into the record October 26, 2023. Matt Graves, the US Attorney
3 for DC, was served with a quo warranto draft in early October which just
4 needs that resolution attached to throw Marjorie Taylor Greene out of
5 Congress. See <https://www.youtube.com/watch?v=015gqS82eMk> The
6 local PDF copy is at [https://gov-
7 shout.com/sites/default/files/finalbalint_014_xml45_copy.pdf](https://gov-shout.com/sites/default/files/finalbalint_014_xml45_copy.pdf) Of course as
8 expected the Republicans did not vote for it, but as the saying goes, "its been
9 said", and it makes great evidence in a Quo Warranto complaint against
10 Greene. Additionally Greene has called for States sucede from the United
11 States. See <https://www.youtube.com/watch?v=kdDo5H66tkE&t=3142s>
12

13 61. Most importantly Greene is the strongest supporter of Mr Putin of Russia
14 and regularly posts to social media saying so. Clearly she fails to understand
15 what the war is about and how removing old weapons from our armory
16 provides jobs to Americans. [https://www.youtube.com/watch?v=-
17 0W7ASQkunY&t=918s](https://www.youtube.com/watch?v=-0W7ASQkunY&t=918s) and what the war is about is
18 oil. <https://www.youtube.com/watch?v=1PFpYaNBeJ8&t=1130s>
19

20 **THOMAS TUBERVILLE**

21
22 62. "Coach" as he wants to be called for ten months blocked military
23 confirmations until his own Republican colleges attacked him forcefully on
24 the floor. Tuberville, another Trump pleaser at 68 years old has never
25 written or drafted a legal document or bill in his life. What he needed to do
26 was draft a bill to accomplish what he sought, but being completely out of
27 his depth he just obstructed US law and failed his constitutional duties
28 instead.

1
2 63. Specifically Tuberville was and remains in rebellion to the US Constitution
3 at Article I Section VIII and specifically Article I Section VIII Clause XII
4 seeking to cripple and weaken the US Military defense forces
5

6 **THE OATH OF OFFICE PROHIBITS LYING**

7

8 64. There is one sentence in the Congressional oath of office that needs legal
9 dissecting.
10

11 65. "That I will bear true faith and allegiance to the same." "Bear" means to
12 carry or to give as testimony as one would do in church. "True" means
13 steadfast and loyal, and steadfast and loyal implies that one must be truthful.
14 "Faith" means allegiance to duty and this does not mean to "God", as the
15 next word clarifies. . "Same" means the United States Constitution.
16

17 66. Thus the oath means in the "job" you will tell the truth at all times as a
18 faithful member of government. To lie is thus a "disqualifying activity" one
19 could be removed from office for alone but only in the context of the United
20 States Constitution. It implies parking Religious beliefs at the door.
21

22 67. The Congressional oath is similar to the "Attorney's Oath" with general
23 exception of the final sentence (of the California version) which reads "As
24 an officer of the court, I will strive to conduct myself at all times with
25 dignity, courtesy and integrity."
26

27 68. Of that sentence only the word "integrity" means anything, and is
28 synonymous to the sentence "That I will bear true faith and allegiance to

1 the same.” defines duties that if transgressed acting in an official capacity
2 become" disqualifying activities " much as failure of" integrity " to the law
3 is grounds for disbarment as an attorney along with the" Rules of
4 Professional Conduct ".

5
6 69.Thus it is unlawful as well as unethical and a disqualifying activity to lie in
7 political campaigns (unless you have not taken an oath as an attorney or
8 other prior or military office) and in office. It is still unlawful to work
9 towards destroying or substantially work against the structure of the US
10 government as project 2025 and its document aims in writing to do. See
11 <https://www.youtube.com/watch?v=9k3UvaC5m7o>

12
13 70.It is a Federal Law our elected officials must take the Oath of Office. **5 U.S.**
14 **Code § 3331 - Oath of office**

15
16 71.The problem is there is nobody to enforce this Federal Law, unless and until
17 someone "asks" a court by petitioning it or filing a complaint - in this case in
18 Quo Warranto. Now if a citizen lies to federal authorities **18 U.S.C. § 1001**,
19 lights to life and they are facing five or eight years in federal prison,
20 depending on specific facts of the offense The only way to enforce it against
21 members of Congress is by Quo warranto actions.

22
23 72.Lies are not free speech when they cause actions by others that break the
24 law. In general that is "public fraud" and it is actionable as fraud in a court
25 of law as Trump is discovering in his New York state business fraud
26 conviction.. Being a liar creates a teetering existence on disaster as George
27 Santos discovered.

1 73.To bring integrity back to government many need to be removed from office
2 if they fear they will fail re-election by telling the truth.

3
4 74.An attorney who lies can be disbarred and a member of Congress doing the
5 same can be removed from office by quo warranto.

6
7 75.In [*United States v. Alvarez*](#), the Court invalidated the respondent's
8 conviction for violating the Stolen Valor Act, a law that forbade falsely
9 claiming to have received the Congressional Medal of Honor. Justice
10 Anthony Kennedy's opinion announcing the judgment began with a line that
11 could easily be used that hte lead opinion stated that lies are not
12 categorically excluded from First Amendment protection. Particular
13 categories of lies—such as defamation and financial fraud—may subject the
14 liar to penalty but lying absent more is free speech.

15
16 76.Some observers read *Alvarez* to categorically protect lies. That's a mistake.
17 The case holds only that lies are not categorically proscribable.

18
19 77.Lies which cause others to act are also fraud and actionable, but the
20 Congressional member took an oath agreeing to freely surrender lying. That
21 is the difference

22
23 **SECTION 3 OF THE 14TH AMENDMENT COVERS THE ENTIRE**
24 **CONSTITUTION**

25
26 78.The "Preamble" of the US Constitution is not a specific law directing the
27 operation of government, but it is a directive to those who swear an oath to
28 support and defend it. It reads:

1
2 79. "We the People of the United States, in Order to form a more perfect Union,
3 establish Justice, insure domestic Tranquility, provide for the common
4 defense, promote the general Welfare, and secure the Blessings of Liberty to
5 ourselves and our Posterity, do ordain and establish this Constitution for the
6 United States of America."

7
8 80. Here "... in Order to form a more perfect Union, establish Justice, insure
9 domestic Tranquility,..." is a command upon the persona of all who want
10 to be members of government or the military in any capacity. If your
11 persona is counter to that command that is a "disqualifying activity"
12 coupled with any action one takes against that intent. Destroying laws and
13 changing governments functions or the desire to do so, without coupling it to
14 how any change helps accomplish the intent of the Preamble, is
15 insurrectionist and rebellious disqualifying activity. within the meaning of
16 Section 3 of the 14th amendment.

17
18 81. The problem is in those who have never been in the military to discipline
19 their minds to actually be an American. They rush to destroy without a plan
20 to replace with something better to promote the country and democracy. See
21 e. g. ridiculous, <https://www.youtube.com/watch?v=XoVxec0pvz4&t=320s>

22
23 82. In the DC Case 1:23-cr-00257-TSC, US v Trump Judge J. Micheal Luttig in
24 concert with others, filed an amicus brief for Judge Chutkan in support of
25 the DOJ position to deny the presidential immunity claim, stating the
26 identification of the rebellion against the Constitution of the United States as
27 "First, the appended brief is the first brief ever to argue that protecting
28 the four-year term and re-election requirements in the Executive Vesting

1 Clause in Article II, Section 1, Clause 1 of the Constitution, provides
2 narrow, dispositive grounds to reject a potential defense of absolute
3 presidential immunity." in this amicus brief dated October 20, 2023 which
4 can be found at [https://gov-
5 shout.com/sites/default/files/motion_and_related_papers.pdf](https://gov-shout.com/sites/default/files/motion_and_related_papers.pdf)
6

7 83. Judge Chutkan ruled in a 48 page complete rebuke denying the motion in
8 which she uses the word "engaged" as it relates to the January 6th issue.
9

10 84. People do not understand how an improper persona, with all the skill set in
11 the world can get them ejected from the military because a fascist and racist
12 mindset poisons the group. As an Air Force veteran petitioner can attest to
13 seeing three candidates who did not make through basic military training for
14 that reason.
15

16 85. Here only the Preamble speaks to honor and integrity requirements to hold
17 and maintain hold of an office of the United States.
18

19 86. Here also Greene and Tuberville are openly fascist as well as racist which is
20 a disqualifying persona that goes hand in hand with "disqualifying
21 activities" under Section 3 of the 14th amendment and can contribute to
22 removal from Congress.
23

24 ARGUMENT

25
26 87. No room for religion inside government – it is NOT “the business of the
27 government” as one founding father so clearly stated. Morals taught of
28 religion in how one ethically behaves yes, but park your religion at the

1 door. Do a job and don't ask don't preach, don't recruit and don't tell don't
2 judge. That is what the Preamble and the first amendment collectively says.
3

4 88. For years everyone has considered the Preamble useless, but what it really
5 says is to swear a "true faith and allegiance to same" means people in the
6 government MUST focus with integrity on the job under the Constitution,
7 and efforts to obstruct and destroy the government are a "disqualifying
8 activity" The Constitution then fires you if a person asks a court.
9

10 89. This where the genius of the framers stitched Section 3 of the 14th
11 amendment in perfectly. This is why Section 3 of the 14th amendment is
12 self executing because as J Micheal Luttig says it is the "conduct" that
13 activates the bar to office as a disqualifying activity. Conduct of those
14 swearing an oath "in true faith and allegiance" is described in the Preamble.
15

16 90. It does not need to be said, the entire Republican caucus and its extension
17 "Heritage Foundation" as well as the deeply "conservative" members in the
18 courts do not want to work with anyone but themselves. See again
19 <https://www.youtube.com/watch?v=9k3UvaC5m7o>
20

21 91. What we have is name calling and threats from all Republican associations
22 including and especially Trump supporters ending political effectiveness.
23

24 92. This design of the Constitution was not by accident as the framers were a
25 real mixed bag of religious and sociological sorts. (again
26 see) <https://www.youtube.com/watch?v=c5camqkr6-8>
27
28

1 93.This document the US Constitution forces people to work together or be
2 ejected from the government effort and rightly so.
3

4 94.The Constitution will save us from ourselves if we enforce it and let it.
5

6 95.Here through Quo Warranto offending members of government are removed
7 by the Constitution itself for rebellion against it and there is no slick way
8 around.
9

10 96.If you are a obstructionist insurrectionist following Trump, the evangelical
11 far Christian right or a racist who will not denounce Hitler rhetoric in
12 government or think you are running for office Section 3 of the 14th
13 amendment disqualies you through the Preamble, First Amendment and the
14 oath of office you are or have violated.
15

16 97.It cannot be proven that is not the reading of those Constitutional
17 requirements without excluding the Preamble as though it does not exist and
18 allows all the ugly conduct of officials of today. The entire document is
19 read pari mutual.
20

21 98.The Preamble is not a legal civil right but it is a condition of being any
22 member of government that violation thereof is a disqualifying activity
23 within the meaning of Section 3 of the 14th amendment and many Ex-
24 Trump administration people have moved their seditious activity to project
25 2025. See again <https://www.youtube.com/watch?v=9k3UvaC5m7o>
26

27 99.The Preamble is for persons who swear an oath of office of "true faith and
28 allegiance" are agreeing to a code of conduct under the Preamble. To fail

1 that required conduct is a "disqualifying
2 activity". See. [https://constitution.congress.gov/browse/essay/pre-
3 3/ALDE_00001235/](https://constitution.congress.gov/browse/essay/pre-3/ALDE_00001235/)
4

5 100. These Republicans with Mr Trump as their leader further finally and
6 openly are supporting Mr Putin of Russia by blocking aid to Ukraine as
7 Russia is an enemy of the United States - the ultimate insurrectionist
8 disqualifying activity.
9

10 101. This all started with Ronald Reagan and the "moral majority" and
11 today religious zealouness is out of control mixing with racism and fascism
12 which is why there is no, and never was any place for Religion in the US
13 Constitutional government as the First Amendment sets forth as the first
14 sentence. See again <https://www.youtube.com/watch?v=9k3UvaC5m7o>

20 109. All respondents and unnamed Doe and in particular Greene,
21 violate the Preamble as a code of conduct through their oath of office, as set
22 forth in the promotion of Greene States "divorce America" and for open
23 promotion for them to secede from the Union and as found in the motion to
24 Censure Greene described above and by proposed legislation which in a
25 form of majority blackmail is used to shut down the government counter to
26 the desires of constituents.
27
28

CONCLUSION

1
2
3 110. True faith in the oath of office means to be true and not lie and be
4 honest about your allegiance to the Constitution. The Preamble is a
5 command that one's persona and intent be compatible with the harmony of
6 the nation. The First Amendment and related interpreting precedent (again
7 see) <https://www.youtube.com/watch?v=c5camqkr6-8> makes clear there is
8 no room in the government for pushing a Theological agenda or laws even
9 based in religious morals towards the person thereof. Abortion is the most
10 glaring example of something that is not anyone's business but the person
11 pregnant. Things like LGBTQ issues are a gray area, and while a law
12 against the person is not appropriate perhaps a display in public could be,
13 however Mike Johnson is a subversive God Delusional person who has
14 taken his oath in reservation to religion when in reality he wants to destroy
15 the Western governments world. His covert insistence and lies show he is
16 covertly trying to shut down America. Mr Schaeffer is as close to a father of
17 Johnson to warn us. MR Schaeffer knows how and why Mr. Johnson is an
18 insurrectionist inside the Government even before Trump in his fake elector
19 scheme because he helped launch the birth of it.

20
21 111. The Federal government is and America as a nation is facing a facist
22 and racist based hidden agenda Religious zealot base that believes America
23 is supposed to be a Theocracy where Caucasians are to be in oppressive
24 control. The collection of video evidence shows this clearly. This effort is
25 in Congress as remnants of Trump supporters who by law are currently
26 disqualified from office currently right now for having been and remain
27 engaged in insurrection against the Constitution of the United States.

1 112. Johnson will likely shutdown the government in a coy blackmail way
2 and he interferes with the operation of the government as he in blackmail
3 politics refuses to bring Whitehouse legislation to the floor for a vote, and
4 during the Trump administration he preached against the same kind of
5 impeachment inquiry he just formally launched without even a crime or
6 misdemeanor suspect of committed. He and every Republican is taking
7 orders from Trump not true faith and allegiance to the Constitution.
8

9 113. In this era of dangerous climate change where more scientific minds
10 are needed in government , not God delusional lying leaders like Johnson
11 who believe the Bible has an answer to everything in Congress, it must be
12 reminded again here in a documentary video Attorney Leeja Miller describes
13 how the Trump EPA was crippled regarding at least one area of
14 jurisdiction. The EPA is part of the "deep state" Trump and the Heritage
15 Foundation through its Project 2025 plan seeks to destroy. See
16 minimally <https://www.youtube.com/watch?v=HuOgNJbQ5LY&t=418s>
17

18 114. This writ needs to be ongoing as all investigation continuing as
19 members are removed as Section 3 of the 14th amendment demands so each
20 by specific supplemental petitions to each members' conduct.
21

22
23 Respectfully submitted,
