PROPOSED

14 JAMES MICHEAL JOHNSON,

15 MARJORIE TAYLOR GREENE

16 JAMES DANIEL JORDAN

17 THOMAS TUBERVILLE

18 AND

19 DOES 1 TO 270

20 in their official capacities as members of
21 the Unites States Congress of the
22 Republican party,

23 Respondents.
24

ORDER GRANTING WRIT OF QUO
WARRANTO AS TO JAMES
MICHEAL JOHNSON

25
26 The Petition for a Writ of Quo Warranto having come on regularly before
27 this Court for hearing upon waived oral argument, and the Court having read
28 and considered the Verified Petition, and the Verified Answer, and any other

1 relevant files and records of this case as the arguments of counsel for both
2 parties;

3
4 It is hereby Ordered, Adjudged and Decreed that the Petition for a Writ of
5 Quo Warranto be, and the Same is hereby GRANTED as to James Michael
6 Johnson;

7
8 This court has jurisdiction pursuant to Chapter 35 of the District of
9 Columbia Code. The court is satisfied petitioner sought the USDOJ file and
10 pursue this matter which the USDOJ refused and ignored.

11
12 The Congress is not operating as intended and required to operate the
13 Federal Government and is the least productive Congress in history passing
14 only 22 basically irrelevant bills into law thus far due Republican abstinence
15 and providing aid and comfort to Donald John Trump seeking to do so.

16
17 Petitioner argues former President Donald John Trump has been ruled an
18 insurrectionist pursuant to case Anderson et al v Griswold Case
19 2023CV32577 in the State of Colorado and in Maine December 28, 2023
20 which this court takes notice of. Petitioner argues according to the final
21 sentence of Section 3 of the 14th amendment, the orders upon issuance are
22 final and only the US Congress may address and grant relief not the
23 Colorado, nor Maine nor United States Supreme Court, and as such the
24 entire House of Representatives Republicans members are openly following
25 and providing aid and comfort to Mr Trump and are thus "engaged in
26 insurrection" against the Constitution of the United States citing to Articles
27 and Sections thereof and giving aid and comfort thereto and to the Russian

1 Federation refusing aid to Ukraine arguably obligated by the Budapest
2 Memorandum.

3
4 Petitioner avers the Preamble of the United States Constitution has force and
5 effect as a code of conduct members of government must adhere to due the
6 oath they take to bear "full faith and allegiance" to the entire
7 Constitution. This court agrees

8
9 Petitioner also avers that through the first sentence of the First amendment
10 there is by precedent ruled thereon the issue Religion a doctrine of
11 separation of church and state requiring members of government divorce
12 themselves of Religion in their duties and operation as members of
13 government and representatives of the United States as Religion is not the
14 business of government This court again agrees.

15
16 Petitioner also avers that Representative James Michael Johnson has been
17 engaged in insurrection against the Constitution of the United States in
18 "disqualifying activities" so described in the Petition and shown in the video
19 evidence of being in rebellion to the Constitution and Laws of the United
20 States providing aid and comfort to Mr Trump and the government of Russia
21 in working to block on going aid the United States has promised and may by
22 the Budapest Memorandum be obligated to provide.

23
24 The role and duty of a Congress person is to confidentially serve
25 constituents, act as required in an appropriate professional manner in any
26 committee upon which they serve, to follow all laws of the United States
27 lawfully and faithfully, and to allow legislation to progress naturally no

1 matter what its source is. Public opinions are inappropriate as to Religion or
2 personal beliefs not the obligation of the Congress person in their duties.
3

4 Of particular alarm was the filing of a seditious Amicus Brief seeking to
5 assist Mr Trump thwart Article II Section I Clause I as Trump's effort to
6 steal votes to switch the electoral college count to Mr Trump as a winner
7

8 Then Mr Johnson further on his own sought to thwart law enforcement to
9 prevent the public from helping apprehend January 6, 2021 Capitol rioters.
10

11 Mr Johnson has thwarted allowing legislation to be voted upon in which the
12 United States has a duty and promise to other nations which may be
13 arguably due that or other nations by agreements of the United States.
14

15 Mr. Johnson has a blackmail style of governing incompatible with the
16 Constitution of the Unites States.
17

18 Finally, though there is more, it appears Johnson is indeed mentally unwell
19 believing God speaks directly to him and that he is "Moses" which Petitioner
20 describes and defines as "God Delusional" influence of which causes
21 Johnson to refuse to bring to the floor for a vote legislation sent by the
22 Senate or Executive branch to instead hold it hostage at his whim which is
23 all a rebellion against the Constitution of the United States and his duties due
24 his oath of office.
25

26 Petitioner presented a video from a Mr Schaeffer which tends show Johnson
27 will likely forever be "God Delusional" Religion compromised unable to
28

1 bear true faith and allegiance to the Constitution and Laws of the United
2 States as written and applicable.

3
4 **Thus it is further ordered**

5
6 The member has "engaged in insurrection or rebellion against the
7 Constitution of the United States" directly and by providing aid and comfort
8 to Mr Trump on January 6, 2021 so described in the Petition and relevant
9 files referenced therein, and continuing thereafter to thwart government
10 functions in support of the Russian Federation in violation of which are the
11 duties of the member pursuant to the oath of office taken and,
12

13 As such pursuant to Section 3 of the 14th amendment James Michael
14 Johnson is barred from holding office and is required to immediately vacate
15 his office. Mr Johnson may pursuant to the final sentence of Section 3 of the
16 14th amendment move the Congress to vote to retain him and reverse his
17 engaged in insurrection and rebellion status against the Constitution of the
18 United States, however no other court appeal is allowed by the Constitution
19 itself.
20

21 This court shall retain jurisdiction for further proceedings upon the Petition
22 for Writ of Quo Warranto as to the other named persons and DOES
23

24 **IT IS SO ORDERED**
